> the grave closed over the remains of Clay, before a mourning nation is abruptly sumbefore a mourning nation is a before a mourning nation is abruptly summoned to the death-bed of another of the moned to the death-bed of another of the great intellects of the age—the last of the repeal of the Berlin and Milan decrees. Wherever the tidings are carried by the electric flash, there will arise a profound expression of lament. A beacon-light has been extinguished in the land. The aspirations of a lofty spirit have been hushed. The courage of a great earth has been quelled by the courage of a great earth as been quelled by the conquer of all. The tongue of a consummate oragin of the land of the land of the land of the land of the results which appeals, listened with calmed spirits to the death-bed of another of the Uth of June, 1818, on a motion introduced by himself for an inquiry relative to the regulation of from war—if war is unavoidable—will be legitimate. No foreign power will have the right to complain to the results which appeals, listened with calmed spirits to the death-bed of another of the Uth of June, 1818, on a motion introduced by himself of a motion of from war—if war is unavoidable—will be legitimate. No foreign power will have the right to complain to the results which appeals, listened with calmed spirits to the death-bed of another of the Uth of June, 1818, on a motion introduced by himself of an antion. We will not speculate as to what the right; and all the results which appeals, listened with calmed spirits to the decision of from negotiation or from war—if war is unavoidable—will be legitimate. No foreign power will have the right to compare the tidings are carried by the electric flash, with the right; and all the results which the low part in extending the rate of his spirits to the decision may be. There is certainly a great deal of reason and argument in Judge of the law, with the vision. We will not speculate as to what the right of the law, and union. This weight of personal and wisdom. We will not speculate as to what the right of the law, will be states, at Washington, for final determination. We tor, on which listening Senates have hung, peace; standing forward in equal promistood up and breasted the torrests of fanatishis first start here, and seemed to take a design beautiful and beneficent; but that which applauding, persuaded, or convinced and which has spoken such majestic strains for the lawful hands, and turned back by his exertions after March, communion with the ablest of our lawyers. union, liberty and law, is stilled forever. the public service, but already high in the 1850. To that Government, we trust, the conduct

His chief pleasure in life was to dwell upon its accumulated value, in years to come, and his estimates and calculations embraced deand yet so indispensable to each other, which cades, centuries, and epochs, far in the dis- must inevitably come, is at hand, and its element in the direction of public affairs, an ever of his public life that we are at present Under this title Victor Hugo has just pubsincerity of such professions; and we esteem the march of events, and improve them with these desires and struggles, this admiration and reverence, has been cut down by disease.

Let us set forth this triumph of order; let aside. We can scarcely imagine a greater the town of Boston, which had not then as depict this Government, vigorous, settled. and reverence, has been cut down by disease, the town of Besten, which had not then as us depict this Government, vigorous, settled, evil than the existence of a vast estate, like of the blessings and strength of their instiwith such brief warning, before age had pired to the title of a city; and from that squared off, strong, having on its side a crowd that of McDonogh's, inalienable in fee sim-

"Uncle Tom's Cabin.",

"The same carelessness of representation which was practiced towards Dr. Parker, characterizes her book. "Uncle Tom's Cabin" is a fiction in every sense of the word It is not only untrue, but it is untruthful .-It conveys erroneous impressions, produce The recent occurrences in Cuba and the false conclusions. It is not, as it purports his august compeers, to testify their tense of his greatness and their bereavement.

Yes, men will come out of this torpor, all but unanimous tone of resentment with to be, a picture of slavery as it is. All of which, for such a people, is shame; and when his greatness and their bereavement.

Yes, men will come out of this torpor, which for such a people, is shame; and when which they have been received in the United the two hundred thousand Englishmen, and ken; nor the limits of a continent define.—
It is interwoven with the history of the Republic. It is part of the moral property of the nation. As years roll on it will continue to grow with the growth of the countrymen defined and property of the nation. As years roll on it will continue to grow with the growth of the countrymen of the growth of the countrymen. She try and brighten with its cleave and specific and in these manners, but friend and the cases when it has beto the admiration of the two Governments in regard to the two Governments in regard to the political position of Cuba. The cases of the Cornelia and the Crescent City show distinctly that the Spanish anthorities have decided that amicable commercial intercourse with the flowers. She has shared. with the United States is incompatible with has done it by attaching to them as slavethe state of public feeling on the island .- holders, in the eyes of the world, the guilt The skeptics smile and insist on saying, Fleets, garrisons and armies are not sufficient of the abuses of an institution, of which Hope nothing. This regime, we believe, to ensure tranquility among the population, they are absolutely guiltless. Her story is In 1841, he became Secretary of State to is the shame of France." So be it. This while there are means left open whereby a so devised as to present slavery in three Immediate steps will, of course, be taken Gen. Harrison's administration, and that of shame is quoted on 'Change. Hope nothing. knowledge of their feelings may reach the dark aspects,—first, the cruel treatment of
